Hebden Bridge Flood Alleviation Scheme

June 2021

The Environment Agency is working with BAM Nuttall and Calderdale Council to design and build a Flood Alleviation Scheme for Hebden Bridge.

Temporary Car Park Closure - Ground Investigation Works

St. Pol Square Car Park, Bridge Gate, Hebden Bridge

As part of the design and construction of the Hebden Bridge Flood Alleviation Scheme, BAM Nuttall, working on behalf of the Environment Agency will be carrying out essential ground investigation work at St. Pol Square car park.

To allow the work to be carried out safely, the car park will be closed from 7am on Monday 28th June. We expect to re-open the car park by 5pm on Tuesday 29th June, subject to no unforeseen delays. The working area is indicated in block yellow on the plan below.

We apologise for any inconvenience this may cause.
