May 2024

Update – upcoming work on Midgley Road

Starting on Monday 20th May we will be carrying out the remainder of the repair work to manhole covers at the junction of Burnley Road and Midgley Road in Mytholmroyd. We previously completed the repairs at the junction of Burnley Road and Longfellow Court, but unfortunately had to delay the work at Midgley Road due to unforeseen emergency utility work.

The work will take up to five days to complete. Two-way temporary traffic lights will be in place at the junction of Burnley Road and Midgley Road from Monday 20th May to Friday 24th May. The temporary lights will be manually operated between 0700hrs and 1800hrs each day. See the plan below of the affected area.

No bus stops or pedestrian routes will be affected by the work.

We apologise for any inconvenience this necessary work may cause.
