Hebden Bridge Flood Alleviation Scheme

October 2025

The Environment Agency is working with Calderdale Council to design and build a Flood Alleviation Scheme for Hebden Bridge.

Flood Information Centre open on Tuesday 4th November and closed on Thursday 6th November

The Hebden Bridge Flood Information Centre will be open on Tuesday 4th November between 3pm-7pm instead of Thursday 6th November. Normal hours of 10am-2pm will be operated on Monday 3rd and Friday 7th November.

Usual hours will recommence the following week commencing 10th November with the information centre open every Monday and Friday between 10am–2pm, and every Thursday 3pm–7pm.

More information on the schemes can be found on www.eyeoncalderdale.com under the Projects section. A Frequently Asked Questions (FAQ) section is also available on the website, which we hope will help to provide answers to some of the questions or concerns you may have.
